• RF remote
• lighting controller module
• (2) 20 foot cables that go from each LED stand to the controller module
• power supply
• Travel bag to hold both stands
• Owner manual and warranty card

Using this product safely and properly

The indicator symbols shown below are used in this manual and on the stand to ensure proper and safe use of the product, to prevent injuries and avoid damage to surrounding items. Please become familiar with these symbols and their associated information before proceeding to the assembly instructions of this manual.

⚠ WARNING ⚠

DO NOT EXCEED INDICATED MAXIMUM WEIGHT CAPACITY.

Do not place this stand on a tall object or high shelf. If the stand were to fall, it could cause an injury.

CAUTION

• This stand is meant for use with speakers ONLY. Do not use the stand for other purposes. Improper use of the stand may result in an unstable condition with the potential to cause an injury by falling.

• Assemble the stand on a level surface. Placing the stand on an uneven surface can lead to overturning and result in an injury.

• Do not place the stand where people regularly move past it. Bumping into the stand can cause an injury.

• Place the stand on a solid and level floor. Installing the stand in a location that is unstable can cause it to fall and result in an injury.

• Do not drop or drag the stand when assembling or transporting it. Pushing over or dragging the stand can result in an injury or cause damage to the floor.

• Do not climb onto or hang from the stand. Be especially careful about children trying to do this. If the stand falls over it can cause an injury.

LOCKING KNOB →

ADJUSTMENT KNOB →

The Rockville PARTY STAND LED is a pair of speaker stands with built-in RGB LED light-ing, RF remote control, and lighting controller module. The remote control has a distance of 100 feet and will even control the lights through walls. We also include a lighting controller module which connects to both stands. It has a built-in mic and sensitivity knob allowing you to beat-sync the stands to your music with different LED modes.

To ensure proper use of this product, please carefully read the following instructions and reference to the diagram on the facing page.

Setting up your Rockville speaker stand:
1. Unpack the stand and all accessories.
2. Loosen up the ADJUSTMENT KNOB and spread the legs until the support bars are parallel with the floor.
3. Re-tighten the adjustment knob. Do not overtighten.

How to raise the speaker:
1. Remove the SAFETY PIN.
2. Loosen the LOCKING KNOB and raise the MOUNTING POLE to the desired height.
3. Insert the SAFETY PIN into the appropriate slot to secure the MOUNTING POLE.
4. Tighten LOCKING KNOB at the base of the MOUNTING POLE. Do not overtighten.
5. Carefully place the speaker onto the MOUNTING POLE. Please note: you may need assistance lifting heavier speakers.
6. Tighten the locking knob at the base of the speaker to secure the speaker to the stand.
How to lower the speaker:
1. Loosen the locking knob at the base of the speaker and remove it from the MOUNTING POLE. Please note: you may need assistance removing heavier speakers.
2. Loosen the LOCKING KNOB.
3. Remove the SAFETY PIN and lower the MOUNTING POLE.
4. Replace the SAFETY PIN.
5. Re-tighten the LOCKING KNOB. Do not overtighten.

Breaking Down your Rockville speaker stand:
1. Make sure the MOUNTING POLE is in the lowest postion, that the SAFETY PIN is inplace, and that the LOCKING KNOB is tightened.
2. Loosen the ADJUSTMENT KNOB and retract the legs unitl they are fully vertical and parallel with the stand shaft.
3. Tighten the ADJUSTMENT KNOB, do not overtighten.

PARTY STAND LED
